Replacement to:	n/a		Beam angle:	15°
Target Dealer:	\$1,425.00		Illuminance (2m):	23,978 lux
Target MAP:	\$1,899.99	<b>What's Included:</b> <ul style="list-style-type: none"> <li>Moving head</li> <li>Power cord</li> <li>Hanging bracket</li> </ul>	Illuminance (5m):	3,836 lux
Target List/MSRP:	\$2,533.33		Lumens:	4,268
UPC Code:	781462223366		Prisms:	3- and 5-facet
Certifications:	CE, UKCA, ROHS, MET		Optional remotes:	RFC / RFC-XL

#### Key Features & Benefits:

- Outdoor-rated moving head designed for situations where mother nature gets in the way
- Power input/output connections save setup time while maintaining water resistance
- Built-in RF receiver for wireless control using the RFC or RFC-XL optional remotes
- New home position allows for smoother programming
- Durable magnesium housing is lightweight, strong and corrosion resistant
- Dual rotating prisms split the beam for great effects and cover a larger area
- ¼-turn hanging bracket allows for single or dual clamp mounting options
- Project crisp gobos from nearly any distance with the motorized focus
- Beams always remain on the dance floor using the built-in, innovative Totem mode
- Set, save, and recall 1 scene manually, directly from the full-color LCD display
- Fits best in the Intimidator Road Case

#### Product Images

#### Why Product Was Developed:

No one else has one. Next logical step for Intimidator range.

#### Elevator Pitch

When mother nature crashes the party, Intimidator Spot 360X IP has your back. This outdoor-rated moving head is designed to keep you prepared for the unexpected. With a built in RF receiver for control using the optional RFC or RFC-XL remotes and a new home position that allows for smoother programming, tackle the outdoors with ease.

#### Product Positioning

Bring the power of Intimidator outdoors! Intimidator Spot 360X IP is an outdoor-rated moving head that prioritizes ease of use. Setup time is a breeze with power input/output connections that don't compromise on the units water resistance. Take advantage of an expansive array of wireless control options without the use of DMX with optional RFC or RFC-XL remotes. Impress guests with smoother programming thanks to a new home position, crisp gobos at nearly any distance thanks to the motorized focused, and sharp beams that never leave the dance floor thanks to the built-in, innovative Totem mode technology. Enjoy Outdoor Event Excellence with Intimidator Spot 360X IP.
